Brief Statement on Potential Contribution to the Executive

This year I have worked hard to ensure that members are informed about USNZ and have the ability to contribute to its' decision making process. I feel I have represented the needs and wishes of constituent members of USNZ and would be honoured to be able to continue to do this. Every organisation can improve and I committed to ensuring that the executive does, but also that as your representative that I always do my best to communicate regularly with members.
